

Ballot Paper

Election of President for 2011 (president elect 2010)

TWO nominations have been received for election of President 2011 (president elect 2010)

They are **Dr Bronwyn Kerr** and **Dr Peter Turnpenny**

*Members of the Clinical Genetics Society are invited to vote for **ONE** of these nominees on the slip below and return to Ruth Cole in Birmingham no later than **Friday 26 February 2010**.*

Dr Bronwyn Kerr — I would lead the CGS in focussing on improved access to highly specialised clinical diagnosis and counselling for rare disorders, advocacy, evidence base, robust quality and outcome measures, treatment frameworks.

Dr Peter Turnpenny — Burgeoning clinics, spectacular science, austerity ahead—but our specialty must continue to develop, respond, raise its profile and grow—including internationally. I will strive for this using all my experience.
